BSJA JERSEY MEMBERS DAY SHOW
FRIDAY 11 SATURDAY 12 & SUNDAY 13 AUGUST 2017
BSJA Show Ground, St Lawrence, Jersey

Trailblazer Classes with Optimum Time Jump Off.

In certain classes placings are awarded according to the time of the competitor nearest to an Optimum Time. The Optimum Time is based on the measured distance of the jump off course being ridden at an even pace. We would expect competitors to take advantage of the shortened course, by making tighter lines to the fences they need to jump whilst maintaining a slightly faster pace than they did in the first round.. The time can be either faster or slower than the Optimum Time, which is not disclosed until the results are announced.

BSJA JERSEY MEMBERS DAY SHOW
FRIDAY 11 SATURDAY 12 & SUNDAY 13 AUGUST 2017
BSJA Show Ground, St Lawrence, Jersey

Section (B) will consist of four vertical fences numbered 1-4, preferably in a straight line (on related distances) and of similar appearance. The fences will be built ascending in height from fence 1 to fence 4. (for example Ponies: 0.85/0.90/95/1.00). Section (B) will be judged under Table A.

Placings will be decided on faults incurred in section (B) and time recorded for section (A).

Start and finish flags must denote the start and finish of each section

ERASER STAKES CLASS 5

This competition will be run as Table A4 with the exception that for the last obstacle of the course, an alternative obstacle will be provided. The alternative obstacle will be not less than 10 cms and not more than 15 cms greater on height and will be known as the "Eraser Fence". Each competitor may then choose to jump one or other of the alternatives which form the last obstacle. Any competitor who has incurred faults prior to the last obstacle and who chooses to jump the "Eraser Fence" and jumps it clear will then have four faults "erased" from his/her total score for his/her round (i.e. a four fault round prior to the last obstacle will then count as a clear, an eight fault round prior to the last obstacle will be reduced to a four fault total). Any error incurred whilst jumping the "Eraser Fence" will be penalised in faults in the same manner as for any normal fence (i.e. a knockdown will incur four faults and will be added to the penalties incurred prior to jumping the "Eraser Fence"). The choice to jump the "Eraser Fence" is entirely at the discretion of the competitor and there will be no signal made to inform the rider whether or not he/she has incurred faults in his/her round prior to the last fence. Placings will be determined on faults and time after any adjustments have been made for successfully jumping the "Eraser Fence".
